STANDARD Recycled Rubber Surfacing

Our Standard range is a durable rubber surfacing produced from granulated tyre rubber. Standard colours are used in many Golf Walkways, Childcare Centres, Schools and Playgrounds. It is an ideal and cost effective solution for all locations. All Rubber Surfaces are site poured and coloured to provide a seamless surface.

Our Standard range is available in three colours: Uluru Red, Heritage Green and Black.

PREMIUM Recycled Rubber Surface

Our Premium Range is a high quality product providing UV resistant colouring in a hardwearing recycled rubber surface. Premium colours are an alternative to our Standard range where a brightly coloured surface is provided. It is also a cost effective option for a wide range of applications. Site poured to provide a seamless soft-fall surface. Multi coloured surfaces are also easily achieved.

Premium colours available are Light & Dark Green, Terracotta, Light Red, Blue & Gold, however, custom colours are available upon request.

Contact one of our surfacing consultants on **8299 0688** or visit our website at www.aktivrubber.com.au for more details.
